Dear Mrs. Radić,

On behalf of Nordic Chamber of Commerce, it is my pleasure to thank Dalekovod d.d. for supporting the third Midsummer Celebration organized by Nordic Chamber of Commerce in Croatia on 10 June 2010 at Lake Budek.

In addition to promoting Nordic culture and tradition, the event also had a humanitarian cause. In cooperation with UNHCR part of the proceeds collected from the sale of food, drink and raffle tickets will be donated to the Elementary School Davorin Trstenjak in Hrvatska Kostajnica. We will be visiting the school in autumn and you will be informed about the developments with this humanitarian cause.

We are glad to inform you that that the impressions of our guests and the attending media were very favourable.

We hope that you were satisfied with your participation and we are looking forward to continuing our cooperation.

Best regards,

Gordana Fuštar
Executive Director
