 Working machines

**U sklopu svoje djelatnosti DALEKOVOD gradi, montira i proizvodi:**

- distribucijske mreže i vodove napona 0,4 - 1 000 kV
- trafostanice i rasklopna postrojenja napona 0,4 - 500 kV
- kontaktne mreže za elektrovođu
- polaganje podzemnih i podmorskih energetske i komunikacijskih kabela
- rasvjetu prometnica, športskih i drugih objekata
- portale i nosače aparata za energetske i prometne objekte
- zaštitne i sigurnosne ograde, portale-nosače za prometnu signalizaciju i putokaze na svim prometnicama i autocestama
- čelično-rešetkaste i limene stupove za mreže i vodove napona 0,4 - 1 000 kV, komunikacijske vodove i kontaktnu mrežu
- ovjesnu i spojnu opremu za mreže, vodove, trafostanice i kontaktnu mrežu
- rasvjetne, reflektorske, antenske i televizijske stupove
- specijalna rješenja za elektroprijenosne i prometne objekte, alate i indukcijske uređaje.

**Za sve te djelatnosti, DALEKOVOD ima poznate i priznate dugogodišnje referencije o brzini i kvalitetnoj gradnji kao i kvaliteti isporučene opreme.**

**DALEKOVOD vrlo uspješno rješava i udovoljava svim zahtjevima projektne odnosno tenderske dokumentacije na domaćem i inozemnom tržištu.**

**Within the scope of its activities, Dalekovod manufactures, constructs and erects:**

- 0.4-1 000 kV power distribution networks and lines,
- 0.4-500 kV substations and switchgears,
- Contact networks for electric tractions,
- Laying of underground and submarine power and telecommunication cables,
- Lighting of roads, sports grounds and other facilities,
- Portals and apparatus supports for power transmission projects and traffic facilities,
- Guard-rails, traffic signal installation equipment and signpost portals on all roads and highways,
- Steel-lattice towers and sheet metal poles for 0.4-1 000 kV networks and lines, telecommunication lines and contact network,
- Lighting, reflector, aerial and TV masts,
- Special solutions for power transmission projects and traffic facilities, tools and induction furnaces and heaters.

**For all above mentioned activities, Dalekovod is proud to offer its comprehensive and prestigious reference list which documents swiftness and quality of performed services as well as high quality of delivered products.**

**Dalekovod is very successful in solving and fulfilling all requirements quoted in design and tender documentation both on the domestic and international market.**
